

From the Word - “The Holy Spirit and Your Life as a Christian” - Romans 8

As Pastor Steve said Sunday, if we have the Holy Spirit, we have all we need to glorify Christ. Various portions of Romans 8 describe why this is true.

If you are a Christian, the Holy Spirit of Christ dwells in you. Jesus was anointed with the Holy Spirit during His sinless life on earth. If you belong to Jesus, you have the same Holy Spirit!

If you are a Christian, the Holy Spirit brings you the promises of the New Covenant. Paul makes two declarations early in Romans 8 that fulfill the New Covenant promise of Jeremiah 31:

- > There is now no condemnation for your sin — Jesus bore all of your sin.
- > You are free from your former slavery to sin through the Holy Spirit.

If you are a Christian, the Holy Spirit is the “engine” of your sanctification. He is the motor of your growth in godliness. Now you can do what you couldn't do before you knew Jesus.

You can be conformed to Christ — not in your own strength, but in the power of the Holy Spirit. You have a new desire and new ability. You are being led in the whole course of your life.

**Are you trying to live the Christian life in your strength?
Live in the power of the Holy Spirit.**
