From the Word - Psalm 100 - "A Psalm for Giving Thanks"

Pastor Steve said Sunday that science believes one of the greatest stress relievers is **gratitude**. But to whom do we give thanks? **The Lord!** He deserves it! This is the message of Psalm 100.

Praise God! The joyful noise of God's people is like an army giving a shout of triumph or subjects rejoicing in a king on coronation day.

We may come with sad circumstances, but God commands gladness in Him. We sing to Him because He delights in the praise of His people.

The reasons why we should praise God include the fact that He is the living God, the Creator who made us, and the One who has fashioned us into His people by His grace.

Thank God! We gain entrance into God's presence with gratitude. When we don't give thanks, it is a serious thing. ***Our whole Christian life should be one of gratitude.***

The reasons why we should give thanks include the fact that the Lord is good and His steadfast love endures forever.

Today, we have even more cause for praise and thanks because of Jesus. How can you sing a song in a hard time in your life? It has to be Jesus. Do you?
